

Batch "Adhar" – Foundation Course for Class 10th Students at Granthay Education

Granthay Education offers an exclusive one-year foundation course titled "**Adhar**" for Class 10th students, designed to provide comprehensive support and preparation for their academic and competitive futures. This course is specifically tailored to ensure that students achieve outstanding performance in their **Class 10th board exams** while also building a strong foundation for advanced studies and competitive exams like **IIT-JEE, NEET, and Olympiads**.

Why This Course Is Necessary

Class 10th is a critical year in a student's academic journey as it marks the culmination of the foundational knowledge acquired in previous years. The concepts and skills developed in Class 10th play an essential role in the preparation for **Class 11th, Class 12th**, and competitive exams like **IIT-JEE** and **NEET**. Granthay's **Adhar** course provides students with the necessary tools and guidance to excel in their board exams while also setting the stage for success in prestigious competitive exams.

Given the growing importance of **IIT-JEE, NEET, and Olympiad** exams, it is essential to build a strong base in **Mathematics** and **Science** in Class 10th. This course ensures that students are not only well-prepared for their school exams but are also primed for the challenges they will face in higher studies and national-level exams.

Key Features of Batch "Adhar"

- Complete Coverage of Class 10th Syllabus (Math and Science)**
The **Adhar** course offers **in-depth coverage of the entire Class 10th syllabus** for **Mathematics** and **Science**. With a focus on clarity and understanding, this course ensures that every concept is thoroughly explained and mastered. Students are well-prepared for their school exams while also laying the foundation for competitive exam preparation.
- Regular Test Series**
To assess progress and reinforce learning, **Adhar** includes a series of **regular tests** designed to evaluate students' understanding of key concepts. These tests are strategically planned to simulate real exam conditions and provide students with timely feedback. They help students identify strengths and weaknesses and track their performance over the course duration.
- Preparation for Competitive Exams**
The **Adhar** course is not limited to board exam preparation but is designed with a vision to prepare students for **IIT-JEE, NEET, and Olympiads**. By focusing on core concepts, critical thinking, and problem-solving techniques, this course enables students to excel in competitive exams while maintaining excellent academic performance in their Class 10th exams.
- Monthly Parent-Teacher Meetings (PTMs)**
Granthay values the role of parents in a student's education. To ensure continuous communication and engagement, we organize **monthly Parent-Teacher Meetings (PTMs)** throughout the **Adhar** course. These meetings allow parents to receive detailed feedback on their child's progress, helping them stay informed about their child's academic development and identify areas that need attention.
- Conceptual Learning for Long-Term Academic Success**
Granthay focuses on building **conceptual understanding** rather than rote learning, ensuring that students develop a deep understanding of the subject matter. This approach prepares students not just for their Class 10th exams but also for the academic challenges that lie ahead, including competitive exams like **IIT-JEE, NEET, and Olympiads**.

Conclusion

The **Adhar Foundation Course** at Granthay Education offers Class 10th students a unique opportunity to build a solid academic foundation while preparing for their school exams and future competitive exams. With complete syllabus coverage, regular assessments, and a focus on conceptual learning, Granthay ensures that students are well-prepared to achieve their goals in **Class 10th, IIT-JEE, NEET, and Olympiads**.

The monthly **Parent-Teacher Meetings** keep parents actively involved in their child's learning, providing valuable feedback and support. Granthay's **Adhar** course is the perfect blend of academic rigor and competitive exam preparation, giving students the best possible foundation for success in their academic and professional pursuits. This course is designed to help students not only excel in their Class 10th exams but also thrive in their future endeavors.
