

Batch "Uday" – Foundation Course for Class 9th Students at Granthay Education

Granthay Education offers an exceptional one-year foundation course named "**Uday**" specifically designed for Class 9th students. This course is an essential stepping stone, laying a strong academic foundation for students not only for their Class 10th but also for their future academic journey, including Class 11th and 12th. It is tailored to equip students with the necessary knowledge, skills, and confidence to excel in their school curriculum and competitive exams such as IIT-JEE and NEET.

Why This Course Is Necessary

Class 9th is a pivotal year in a student's academic career as it serves as the foundation for the crucial years ahead. The concepts learned in Class 9th directly influence success in Class 10th board exams and beyond. Granthay's **Uday** course aims to strengthen the core concepts of **Mathematics** and **Science**, making it a cornerstone for further studies, including preparation for competitive exams like **Olympiads**, **IIT-JEE**, and **NEET**.

At Granthay, we recognize that students who have a strong understanding of the fundamentals from the beginning will have an advantage in their higher studies and competitive exam preparation. This course not only prepares students for school exams but also builds a solid foundation for success in prestigious competitive exams and national-level Olympiads.

Key Features of Batch "Uday"

- 1. Complete Coverage of Class 9th Syllabus (Math and Science)**
The course provides in-depth and thorough coverage of the entire Class 9th syllabus for **Mathematics** and **Science**. It ensures that every concept is explained in detail, with a focus on clarity and application. This approach helps students grasp foundational knowledge and strengthens their academic foundation.
- 2. Regular Test Series**
Granthay understands the importance of regular assessment in a student's learning journey. Therefore, **Uday** includes periodic test series that assess the student's understanding and identify areas that need improvement. These tests are designed to reinforce learning and help students track their progress throughout the course.
- 3. Preparation for Competitive Exams**
While the course prepares students for their school exams, it also aims to set them on the path toward excelling in national-level competitive exams like the **IIT-JEE**, **NEET**, and **Olympiads**. By focusing on essential concepts, critical thinking, problem-solving, and analytical skills, Granthay prepares students to tackle these challenging exams with confidence.
- 4. Monthly Parent-Teacher Meetings (PTMs)**
At Granthay, we believe in keeping parents actively involved in their child's academic progress. To ensure continuous support, we organize **monthly Parent-Teacher Meetings (PTMs)**. These meetings provide parents with valuable insights into their child's performance, areas of improvement, and overall development. We believe that regular feedback from both teachers and parents is crucial in maintaining a conducive learning environment for the student.
- 5. Conceptual Learning for Long-Term Success**
The **Uday** course doesn't just focus on rote learning but emphasizes **conceptual understanding**, which is vital for long-term academic success. With a robust foundation in Math and Science, students will be well-prepared not only for school exams but also for higher studies and competitive exams like IIT-JEE, NEET, and Olympiads.

Conclusion

The **Uday Foundation Course** at Granthay Education is an invaluable opportunity for Class 9th students to prepare for their academic and competitive futures. By providing complete syllabus coverage, regular tests, and conceptual learning with a focus on competitive exams, Granthay ensures that students receive the best possible preparation. Additionally, through monthly **Parent-Teacher Meetings**, parents remain informed and engaged in their child's academic journey, ensuring a holistic and supportive learning experience.

This course is essential for students who wish to build a strong foundation for their Class 10th exams, as well as for those aspiring to succeed in national exams like **IIT-JEE**, **NEET**, and **Olympiads**. Granthay's **Uday** course ensures that students are not only prepared for school exams but also for the challenges that lie ahead in their academic and professional pursuits.
