

Batch "Parth B" – Two-Year Foundation Course for 10th to 11th Moving Students at Granthay Education

Granthay Education presents the **"Parth B"** batch, a comprehensive **two-year foundation course** designed specifically for **10th to 11th moving students**. This course is tailored to provide an in-depth understanding of the complete **Class 11th and 12th syllabus** for students aspiring to clear **IIT-JEE** or **NEET**, while simultaneously excelling in their **school examinations**. The **Parth B** batch is divided into two groups: one for **IIT-JEE aspirants** and one for **NEET aspirants**, ensuring that students receive focused and specialized guidance based on their career goals.

Why This Course Is Necessary

The transition from **Class 10th to 11th** is a significant milestone in a student's academic journey. Class 11th introduces complex concepts that form the foundation for **Class 12th** and are integral to success in competitive exams like **IIT-JEE** and **NEET**. The **Parth B** batch is designed to help students bridge the gap between **Class 10th and 11th**, ensuring they gain mastery over the subjects required for both **school exams** and **IIT-JEE/NEET** exams.

This two-year course provides students with the time, structure, and environment needed to build a solid foundation in **Physics, Chemistry, Mathematics, and Biology**. It prepares them for the challenges of **Class 11th, Class 12th**, and competitive exams, ensuring that they are well-equipped to achieve outstanding results in **IIT-JEE** or **NEET**, while also excelling in their school curriculum.

Key Features of Batch "Parth B"

1. Complete Coverage of Class 11th and 12th Syllabus for IIT-JEE, NEET, and School Exams

The **Parth B** course provides **complete and thorough coverage of the entire Class 11th and 12th syllabus** in **Physics, Chemistry, Mathematics, and Biology**. The curriculum is designed to ensure students are fully prepared for their **school exams** while simultaneously preparing for the highly competitive **IIT-JEE** and **NEET** entrance exams.

2. Separate Batches for IIT-JEE and NEET Aspirants

To provide focused attention and specialized guidance, the **Parth B** batch is divided into two groups:

- **IIT-JEE Batch:** This batch focuses on **Physics, Chemistry, and Mathematics**, preparing students for the **IIT-JEE** entrance exam with an emphasis on problem-solving, analytical thinking, and advanced topics.
- **NEET Batch:** This batch concentrates on **Physics, Chemistry, and Biology**, ensuring that students are well-prepared for the **NEET** entrance exam with a focus on mastering key biological concepts, in addition to Physics and Chemistry.

These separate batches provide an ideal learning environment, tailored to the specific needs and aspirations of **IIT-JEE** and **NEET** students, allowing for a focused approach to their preparation.

3. **Best Learning Environment for IIT-JEE and NEET Preparation**

The **Parth B** batch ensures that students are provided with the best environment for preparing for **IIT-JEE** and **NEET**. With expert faculty, state-of-the-art infrastructure, and a student-centric approach, Granthay creates an environment that fosters academic excellence and enables students to thrive in their competitive exam preparation. The learning atmosphere is designed to inspire students and encourage them to reach their full potential.

4. **Regular Test Series for Continuous Improvement**

To ensure consistent progress and gauge student understanding, the **Parth B** course includes **regular test series**. These tests are designed to simulate actual exam conditions and assess student performance in both **school exams** and competitive exams like **IIT-JEE** and **NEET**. Regular tests provide students with critical feedback, helping them identify areas that need improvement while reinforcing their learning.

5. **Emphasis on Conceptual Learning and Problem-Solving**

Granthay's approach to teaching in the **Parth B** batch focuses on **conceptual understanding** and **problem-solving skills**. Rather than relying on rote memorization, we ensure that students develop a deep and thorough understanding of the fundamental concepts. This helps them not only succeed in their **Class 11th** and **12th exams** but also develop the advanced problem-solving skills necessary for excelling in **IIT-JEE** and **NEET**.

6. **Monthly Parent-Teacher Meetings (PTMs)**

Communication between parents and teachers is vital for a student's success. **Monthly Parent-Teacher Meetings (PTMs)** are organized to keep parents informed about their child's academic progress. These meetings provide insights into student performance, areas of strength, and areas needing improvement, ensuring that parents are actively involved in their child's academic development.

The Importance of Class 11th and Class 12th for IIT-JEE, NEET, and School Exams

Class 11th and Class 12th form the academic foundation for success in **IIT-JEE** and **NEET**, as well as in **school exams**. These two years introduce advanced topics that are directly relevant to the **IIT-JEE** and **NEET** entrance exams. A strong grasp of concepts in **Physics**, **Chemistry**, and **Mathematics** (for **IIT-JEE**) or **Biology** (for **NEET**) is crucial for success in these exams, and the foundation laid during **Class 11th** and **Class 12th** prepares students for the complex problem-solving and analytical thinking required for competitive success.

Additionally, the academic performance in **Class 11th** and **Class 12th** plays a significant role in **school board exams**, which are important for both overall academic progression and admission to undergraduate programs.

The **Parth B** course ensures that students develop a deep understanding of both the school curriculum and the subjects required for **IIT-JEE** and **NEET**. This two-year preparation provides ample time for students to not only understand concepts thoroughly but also practice extensively, ensuring they are fully prepared to tackle both school exams and competitive exams with confidence.

Conclusion

The **Parth B Foundation Course** at Granthay Education offers an unparalleled opportunity for **10th to 11th moving students** to build a solid foundation for success in **IIT-JEE, NEET**, and their **school exams**. By providing **complete syllabus coverage** for **Class 11th and 12th**, regular assessments, and **separate batches for IIT-JEE and NEET aspirants**, Granthay ensures that students receive focused and expert guidance in their areas of interest.

With the best learning environment, **monthly Parent-Teacher Meetings**, and a focus on **conceptual learning** and **problem-solving**, Granthay empowers students to achieve their goals in **school exams, IIT-JEE, and NEET**, setting them on the path to academic and professional success. The **Parth B** course is the ideal choice for students who aspire to excel in **engineering** or **medical** fields, providing the foundation for future achievements.
