

## **Batch "Saksham" – One-Year Course for Class 12th Students Preparing for IIT-JEE and NEET at Granthay Education**

Granthay Education presents the "**Saksham**" batch, a rigorous one-year foundation course designed for **Class 12th students** aiming to crack the highly competitive **IIT-JEE** and **NEET** entrance exams while simultaneously excelling in their **Class 12th board exams**. This course provides **complete coverage** of the **IIT-JEE** and **NEET** syllabus, including both **Class 11th and Class 12th concepts**, ensuring that students are thoroughly prepared for the challenges of the **IIT-JEE** and **NEET** exams along with their academic board exams.

### **Why This Course is Necessary**

Class 12th is the final and most crucial year of school education, and it plays an integral role in shaping a student's future, especially for those aspiring to pursue careers in **Engineering** (through **IIT-JEE**) or **Medical** (through **NEET**). The **Saksham** batch is specifically designed to provide comprehensive preparation for both the **IIT-JEE** and **NEET** entrance exams, while also ensuring that students are fully prepared for the **Class 12th board exams**.

In this one-year course, we cover **all topics from both Class 11th and Class 12th** that are essential for **IIT-JEE** and **NEET**, giving students ample time to master the subjects, understand complex concepts, and practice extensively. This makes it the perfect bridge for students to excel in their board exams while simultaneously honing their skills for the competitive exams.

### **Key Features of Batch "Saksham"**

#### **1. Complete Coverage of IIT-JEE and NEET Syllabus (Class 11th and Class 12th)**

The **Saksham** course ensures **complete and thorough coverage** of the entire **IIT-JEE** and **NEET syllabus** across **Physics, Chemistry, and Mathematics** (for **IIT-JEE** aspirants) or **Biology** (for **NEET** aspirants). This includes important topics from both **Class 11th** and **Class 12th**, making sure that students are prepared for every aspect of the entrance exams. The course is designed to ensure that students not only excel in their board exams but also build a strong foundation for **IIT-JEE** and **NEET**.

#### **2. Focused Approach for IIT-JEE and NEET**

Students preparing for **IIT-JEE** and **NEET** need a focused and tailored approach to their preparation. In the **Saksham** batch, the course is designed to address the specific demands of these exams.

- **For IIT-JEE aspirants**, the emphasis is on **advanced problem-solving techniques, analytical thinking, and concept application** in **Physics, Chemistry, and Mathematics**.
- **For NEET aspirants**, the focus is on mastering **Biology**, along with **Physics** and **Chemistry**, with a deep understanding of **biological concepts and analytical problem-solving skills** required for the **NEET** exam. Both approaches are tailored to meet the specific needs of each group, ensuring students are fully prepared for their chosen competitive exams.

#### **3. Regular Test Series with Simulated Exam Conditions**

Regular **test series** are an integral part of the **Saksham** batch. These tests simulate actual **IIT-JEE** and **NEET** exam conditions and assess students on various aspects of the syllabus. The tests are designed to help students:

- Track their progress.
- Strengthen their problem-solving abilities.

- Identify areas that need improvement.
- Build exam-taking strategies for success.

This regular assessment also helps boost students' confidence and prepare them for real exam-day challenges, ensuring optimal performance in both **board exams** and **competitive exams**.

#### 4. **Conceptual Learning and In-Depth Understanding**

In the **Saksham** batch, we focus on **conceptual learning** rather than rote memorization. We ensure that students have a **deep understanding of the core concepts**, which is crucial for both **Class 12th board exams** and **competitive exams** like **IIT-JEE** and **NEET**. By focusing on mastering concepts, students are better equipped to tackle complex problems in the exams and retain information more effectively in the long run.

#### 5. **Expert Faculty with Proven Track Record**

The **Saksham** batch is taught by highly experienced and qualified faculty members with a proven track record of helping students succeed in **IIT-JEE** and **NEET**. Our faculty not only bring subject expertise but also employ teaching methods that enhance student engagement, making complex topics more accessible and easier to understand. Their guidance helps students build the skills necessary to excel in exams and academic pursuits.

#### 6. **Personalized Attention and Doubt Solving**

Students in the **Saksham** batch receive **personalized attention** and support throughout the course. Our **doubt-solving sessions** are designed to ensure that every student's questions are addressed promptly, allowing them to gain a clear understanding of difficult topics. This one-on-one support helps students overcome challenges and stay on track with their preparation.

#### 7. **Focus on Time Management and Exam Strategies**

A crucial aspect of **IIT-JEE** and **NEET** preparation is the ability to manage time efficiently during the exam. The **Saksham** batch places a strong emphasis on **time management** strategies, helping students learn how to prioritize questions, allocate time wisely, and approach exams with confidence. These strategies are essential for performing well in both competitive exams and school exams.

#### 8. **Monthly Parent-Teacher Meetings (PTMs)**

We believe in maintaining strong communication with parents to ensure students' progress is being monitored and supported effectively. **Monthly Parent-Teacher Meetings (PTMs)** are held to provide updates on students' academic performance and discuss areas of improvement. These meetings allow parents to stay actively involved in their child's education and provide additional support at home.

### **The Importance of Class 12th for IIT-JEE, NEET, and Board Exams**

Class 12th is the final stage of school education, and the concepts learned during this year directly impact performance in both **IIT-JEE** and **NEET** exams. Many of the topics covered in **Class 12th** are critical for entrance exams, making this year crucial for building the advanced skills needed to tackle competitive questions. Additionally, strong performance in **Class 12th board exams** is essential for admission to top colleges and universities, especially for students aiming to pursue **engineering** or **medical** courses.

Since **IIT-JEE** and **NEET** are based on an extensive understanding of both **Class 11th and Class 12th syllabi**, the **Saksham** course is designed to ensure that students are fully equipped to handle both **board exams** and **competitive exams**. This dual focus helps students excel in their academic assessments while also positioning them for success in national-level entrance exams.

## **Conclusion**

The **Saksham Foundation Course** at Granthay Education is an ideal choice for **Class 12th students** who are preparing for the **IIT-JEE** or **NEET** entrance exams, while also aiming for success in their **Class 12th board exams**. With **complete syllabus coverage** for **IIT-JEE** and **NEET**, regular assessments, **expert faculty**, and a focus on **conceptual learning** and **problem-solving**, the **Saksham** batch provides students with everything they need to achieve their goals.

The **Saksham** course not only strengthens students' academic knowledge but also builds the exam-taking skills necessary for success in both competitive exams and school exams. With a focus on **time management**, **doubt resolution**, and **personalized attention**, Granthay ensures that every student is well-prepared to excel and pursue their dream career in **engineering** or **medicine**.

By choosing the **Saksham Foundation Course**, students are taking a significant step toward academic and professional success, ensuring they are fully equipped to tackle the challenges of both **Class 12th board exams** and entrance exams like **IIT-JEE** and **NEET**.
