

Batch "Shikhar" – The Most Powerful Course for Dropper Students Preparing for IIT-JEE and NEET at Granthay Education

Granthay Education proudly presents the "**Shikhar**" batch, a dynamic and **comprehensive one-year course** designed specifically for **Dropper students** who are preparing for the highly competitive **IIT-JEE** and **NEET** entrance exams. Unlike typical revision-focused courses, the **Shikhar** batch starts from **zero level** for all core subjects, ensuring that students receive **complete conceptual clarity** and build a **strong foundation** from scratch. This approach gives **Dropper students** the opportunity to rework and master the fundamentals and advanced topics required for both **IIT-JEE** and **NEET**.

Whether you are struggling with core concepts or aiming for a fresh start, the **Shikhar** batch is designed to meet you where you are. By starting at the **basic level** and progressing towards advanced topics, this course provides a structured learning path that ensures mastery of the entire syllabus, from **Class 11th and Class 12th** concepts, tailored to the requirements of the **IIT-JEE** and **NEET** exams.

Why This Course is Necessary for Dropper Students

For **Dropper students**, previous attempts at **IIT-JEE** or **NEET** exams often highlight areas of weakness or confusion in specific topics. Rather than merely revising the syllabus, **Dropper students** need a **redefined approach** that builds concepts from scratch, ensuring that no topic is overlooked, and every concept is thoroughly understood.

The **Shikhar** batch is uniquely structured to address this need by starting with **basic concepts** in **Physics, Chemistry, Mathematics** (for **IIT-JEE** aspirants), or **Biology** (for **NEET** aspirants) and gradually advancing to more complex material. By the end of the course, students will have the **knowledge, confidence, and problem-solving skills** to not only excel in **IIT-JEE** or **NEET** but also score high in their **Class 12th board exams**.

Key Features of Batch "Shikhar"

- 1. Complete Syllabus Coverage (Starting from Zero Level)**

The **Shikhar** batch covers the **entire syllabus** of **IIT-JEE** and **NEET**, from **Class 11th to Class 12th**, with an emphasis on **starting from zero**. Students who have gaps in their understanding or have missed core concepts during their previous attempts are given the chance to revisit these topics from the very basics. This **ground-up approach** ensures that students gain a **solid understanding** of every subject and topic, building confidence in their ability to solve advanced problems with ease.
- 2. Custom-Tailored Learning Path for Dropper Students**

Each **Dropper student** has a different level of understanding, and the **Shikhar** batch customizes the learning experience to suit individual needs. After an initial diagnostic test, personalized study plans are created that focus on building concepts and tackling weaknesses. As students progress through the course, their plans are adapted to ensure continuous improvement.
- 3. Expert Faculty and Personalized Mentorship**

The **Shikhar** batch is taught by a team of highly qualified and experienced faculty members who have expertise in guiding **Dropper students** towards success. These instructors not only deliver subject knowledge but also provide **personalized mentorship**, helping students overcome challenges, clarify doubts, and adopt the right study techniques. The **one-on-one support** ensures that students remain motivated and focused.
- 4. Regular Test Series and Mock Exams**

Consistent assessment is crucial for **Dropper students** to track their progress and identify areas for improvement. The **Shikhar** batch includes regular **test series** and **mock exams**

designed to evaluate students' understanding and problem-solving skills in **IIT-JEE** and **NEET** format. These tests are designed to simulate actual exam conditions, helping students improve **time management**, **exam strategies**, and **performance under pressure**.

5. **Focus on Conceptual Mastery and Problem-Solving**

Rather than focusing solely on **rote memorization**, the **Shikhar** batch places a strong emphasis on **conceptual mastery**. The course involves a deep dive into **Physics**, **Chemistry**, and **Mathematics** (for **IIT-JEE** students) or **Biology** (for **NEET** students), ensuring students build the **logical reasoning**, **analytical thinking**, and **problem-solving skills** necessary for **IIT-JEE** and **NEET** success. This approach allows students to confidently tackle complex problems with ease and accuracy.

6. **Comprehensive Revision and Practice**

Alongside the **conceptual learning**, the **Shikhar** batch offers a rigorous **revision schedule**, which helps reinforce the concepts learned throughout the year. This includes regular practice sessions using a variety of resources such as **previous years' papers**, **mock tests**, and **practice worksheets**, enabling students to apply their knowledge and further solidify their preparation.

7. **Time-Management and Exam Strategies**

Time management is a crucial element in **IIT-JEE** and **NEET** success. The **Shikhar** batch focuses on honing students' ability to manage time effectively during both the preparation phase and actual exams. Students learn how to **prioritize topics**, **allocate time efficiently**, and **approach different types of questions** strategically. These exam-taking strategies are essential for performing well under pressure.

8. **Emotional Support and Motivation**

Preparing for **IIT-JEE** or **NEET** as a **Dropper student** can be mentally taxing, and maintaining motivation is often a challenge. The **Shikhar** batch includes regular **motivational sessions**, helping students stay focused and determined. The **counseling and guidance** offered by our faculty members ensures that students keep a positive mindset, overcome stress, and stay motivated throughout the course.

9. **Monthly Parent-Teacher Meetings (PTMs)**

Effective communication with parents is a key factor in student success. In the **Shikhar** batch, **monthly Parent-Teacher Meetings (PTMs)** are held to provide updates on students' progress, discuss areas of improvement, and guide parents on how to support their child's learning at home. This partnership between students, parents, and teachers ensures consistent support and motivation throughout the preparation.

The Importance of Batch "Shikhar" for Dropper Students

For **Dropper students**, the **Shikhar** batch is a **fresh start**—a chance to rebuild concepts from the **ground up** and approach the **IIT-JEE** or **NEET** exams with a renewed sense of purpose. Starting from **zero level** means that no student will feel left behind, as they are given ample time to understand even the most fundamental concepts before moving on to more challenging material.

The course not only fills gaps in knowledge but also ensures that students develop a solid foundation for **advanced problem-solving**, **critical thinking**, and **exam strategies**. The **Shikhar** batch is designed to give **Dropper students** the confidence, skills, and support they need to succeed in their next attempt and achieve their goals of securing admission to prestigious **engineering** or **medical** colleges.

Conclusion

The **Shikhar Foundation Course** at Granthay Education is the ultimate choice for **Dropper students** preparing for **IIT-JEE** or **NEET**. With a **zero-level approach** to learning, **comprehensive syllabus coverage**, **personalized mentorship**, **expert faculty**, and **regular assessments**, the **Shikhar** batch ensures that students not only overcome their previous challenges but also gain a deeper understanding of the core concepts required for **IIT-JEE** and **NEET** success.

By providing a structured, **concept-focused approach** to preparation, the **Shikhar** batch transforms the way **Dropper students** approach their studies. With a renewed focus on **conceptual clarity**, **problem-solving**, and **exam strategy**, students can approach their **IIT-JEE** or **NEET** exams with confidence and determination, ensuring that they achieve their goals in the next cycle.

If you are a **Dropper student** committed to **achieving success** in your next attempt, the **Shikhar Foundation Course** is your perfect pathway to realizing your dreams and securing your place in top **engineering** or **medical** colleges.
